Management's Responsibility for the Consolidated Financial Statements

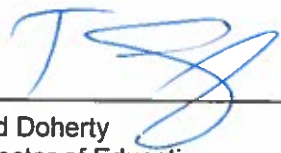

The accompanying consolidated financial statements of the Avon Maitland District School Board are the responsibility of the Board Management and have been prepared in accordance with the Financial Administration Act, supplemented by Ontario Ministry of Education memorandum 2004:B2 and Ontario Regulation 395/11 of the Financial Administration Act, as described in Note 1 to the consolidated financial statements.

The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgement, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Board Management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The Audit Committee of the Board meets with the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to the Board's approval of the consolidated financial statements.

The consolidated financial statements have been audited by KPMG LLP, independent external auditors appointed by the Board. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the Board's consolidated financial statements.

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of Avon Maitland District School Board

We have audited the accompanying consolidated financial statements of Avon Maitland District School Board, which comprise the consolidated statement of financial position as at August 31, 2016, the consolidated statements of operations and accumulated surplus, cash flow and change in net debt for the year then ended and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements in accordance with the basis of accounting described in note 1 to the consolidated financial statements, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements of Avon Maitland District School Board as at and for the year ended August 31, 2016 are prepared, in all material respects, in accordance with the basis of accounting described in note 1 to the consolidated financial statements.

Emphasis of Matter

Without modifying our opinion, we draw attention to note 1 to the consolidated financial statements which describes the basis of accounting used in the preparation of these consolidated financial statements and the significant differences between such basis of accounting and Canadian public sector accounting standards.

Notes to Consolidated Financial Statements

For the year ended August 31, 2016

1. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements for the Avon Maitland District School Board (the "Board") have been prepared by management in accordance with the basis of accounting described below. The consolidated financial statements contain the following significant accounting policies:

(a) Basis of accounting

The consolidated financial statements have been prepared in accordance with the Financial Administration Act supplemented by Ontario Ministry of Education memorandum 2004:B2 and Ontario Regulation 395/11 of the Financial Administration Act.

The Financial Administration Act requires that the consolidated financial statements be prepared in accordance with the accounting principles determined by the relevant Ministry of the Province of Ontario (Province). A directive was provided by the Ontario Ministry of Education within memorandum 2004:B2 requiring school boards to adopt Canadian public sector accounting standards commencing with their year ended August 31, 2004 and that changes may be required to the application of these standards as a result of regulation.

In 2011, the government passed Ontario Regulation 395/11 of the Financial Administration Act. The Regulation requires that contributions received or receivable for the acquisition or development of depreciable tangible capital assets and contributions of depreciable tangible capital assets for use in providing services, be recorded as deferred capital contributions and be recognized as revenue in the Consolidated Statement of Operations and Accumulated Deficit over the periods during which the asset is used to provide service at the same rate that amortization is recognized in respect of the related asset. The regulation further requires that if the net book value of the depreciable tangible capital asset is reduced for any reason other than depreciation, a proportionate reduction of the deferred capital contribution along with a proportionate increase in the revenue be recognized. For Ontario school boards, these contributions include government transfers, externally restricted contributions and, historically, property tax revenue.

The accounting policy requirements under Regulation 395/11 are significantly different from the requirements of Canadian public sector accounting standards which requires that

- government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410;
- externally restricted contributions be recognized as revenue in the period in which the resources are used for the purpose or purposes specified in accordance with public sector accounting standard PS3100; and
- property taxation revenue be reported as revenue when received or receivable in accordance with public sector accounting standard PS3510.

1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(a) Basis of Accounting (continued)

As a result, revenue recognized in the Consolidated Statement of Operations and Accumulated Surplus and certain related deferred revenues and deferred capital contributions would be recorded differently under Canadian Public Sector Accounting Standards.

(b) Reporting entity

The consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all organizations accountable for the administration of their financial affairs and resources to the Board and which are controlled by the Board.

School generated funds, which include the assets, liabilities, revenues and expenses of various organizations that exist at the school level and which are deemed to be controlled by the Board are reflected in the consolidated financial statements as are the pro-rata assets, liabilities, revenues and expenses of the Huron Perth Student Transportation Services ("HPSTS") transportation consortium.

(c) Trust funds

Trust funds and their related operations administered by the Board are not included in the consolidated financial statements as they are not controlled by the Board.

(d) Cash and cash equivalents

Cash and cash equivalents are comprised of cash on hand, demand deposits and short-term investments. Short-term investments are highly liquid, subject to insignificant risk of changes in value and have a short maturity term of less than 90 days.

(e) Investments

Temporary investments are carried on the Consolidated Statement of Financial Position at the lower of cost or market value while long-term investments are recorded at cost, and assessed regularly for permanent impairment.

(f) Deferred revenue

Certain amounts are received pursuant to legislation, regulation or agreement and may only be used in the conduct of certain programs or in the delivery of specific services and transactions. These amounts are recognized as revenue in the fiscal year the related expenditures are incurred or services are performed.

Avon Maitland District School Board

Notes to Consolidated Financial Statements

1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(g) Deferred capital contributions

Contributions received or receivable for the purpose of acquiring or developing a depreciable tangible capital asset for use in providing services, or any contributions in the form of depreciable tangible assets received or receivable for use in providing services, shall be recognized as deferred capital contributions as defined in Ontario Regulation 395/11 of the Financial Administration Act. These amounts are recognized as revenue at the same rate as the related tangible capital asset is amortized. The following items fall under this category:

- Government transfers received or receivable for capital purpose
- Other restricted contributions received or receivable for capital purpose
- Property taxation revenues that were historically used to fund capital assets

(h) Retirement and other employee future benefits

The Board provides defined retirement and other future benefits to specified employee groups. These benefits include pension, health, dental and life insurance, retirement gratuity, compensated absences and workers' compensation benefits. The Board has adopted the following policies with respect to accounting for these employee benefits:

- (i) The costs of self-insured retirement and other employee future benefit plans are actuarially determined using management's best estimate of salary escalation, accumulated sick days at retirement, insurance and health care costs trends, disability recovery rates, long-term inflation rates and discount rates. The cost of retirement gratuities are actuarially determined using the employee's salary, banked sick days and years of service as at August 31, 2012 and management's best estimate of discount rates. Any actuarial gains and losses arising from changes to the discount rate are amortized over the expected average remaining service life of the employee group.

For self-insured retirement and other employee future benefits that vest or accumulate over the periods of service provided by employees, such as life insurance and health care benefits for retirees, the cost is actuarially determined using the projected benefits method prorated on service. Under this method, the benefit costs are recognized over the expected average service life of the employee group.

For self-insured benefit obligations that arise from specific events that occur from time to time, such as obligations for workers' compensation and life insurance and health care benefits for those on disability leave, the cost is recognized immediately in the period the events occur. Any actuarial gains and losses that are related to these benefits are recognized immediately in the period they arise.

- (ii) The costs of multi-employer defined contribution pension plan benefits, such as the Ontario Municipal Employees Retirement System ("OMERS") pensions, are the employer's contributions due to the plan in the period incurred.
- (iii) The costs of insured benefits are the employer's portion of insurance premiums owed for coverage of employees during the period.

1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(i) Tangible capital assets

Tangible capital assets are recorded at historical cost less accumulated amortization. Historical cost includes the costs directly related to the acquisition, design, construction, development, improvement or betterment of the asset, as well as interest related to financing during construction. When historical cost records were not available, other methods were used to estimate the costs and accumulated amortization.

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

Tangible capital assets, except land, are amortized on a straight-line basis over their estimated remaining useful life as follows:

Asset	Estimated useful life
Buildings	40 years
Portable structures	20 years
Land improvements with finite lives	15 years
Leasehold improvements	Term of lease
Furniture	10 years
First time equipping	10 years
Equipment	5 – 15 years
Computer hardware	5 years
Computer software	5 years
Vehicles	5 – 10 years

Assets under construction and assets that relate to pre-acquisition and pre-construction costs are not amortized until the asset is available for productive use.

Land permanently removed from service and held for resale is recorded at the lower of cost and estimated net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing. Buildings permanently removed from service and held for resale cease to be amortized and are recorded at the lower of carrying value and estimated net realizable value. Tangible capital assets which meet the criteria for financial assets are reclassified as “assets held for sale” on the Consolidated Statement of Financial Position.

Works of art, cultural and historic assets are not recorded as assets in these consolidated financial statements.

Avon Maitland District School Board

Notes to Consolidated Financial Statements

For the year ended August 31, 2016

1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(j) Government transfers

Government transfers, which include legislative grants, are recognized in the consolidated financial statements in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amount can be made. If government transfers contain stipulations which give rise to a liability, they are deferred and recognized in revenue when the stipulations are met.

Government transfers for capital are deferred as required by Regulation 395/11, recorded as deferred capital contributions and recognized as revenue in the consolidated statement of operations at the same rate and over the same periods as the asset is amortized.

(k) Investment income

Investment income is reported as revenue in the period earned. When required by the funding government or related Act, investment income earned on externally restricted funds such as pupil accommodation, education development charges and special education forms part of the respective deferred revenue balances.

(l) Budget figures

Budget figures have been provided for comparison purposes and have been derived from the budget approved by the Trustees. The budget approved by the Trustees is developed in accordance with the provincially mandated funding model for school boards and is used to manage program spending within the guidelines of the funding model.

(m) Use of estimates

The preparation of consolidated financial statements, in conformity with the basis of accounting described in note 1(a), requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the year. Significant items subject to such estimates and assumptions include retirement and other employee future benefits payable, and accrued liabilities. Actual results could differ from these estimates.

(n) Property tax revenue

Under Public Sector Accounting Standards, the entity that determines and sets the tax levy records the taxation revenue in the financial statements, which in the case of the Board, is the Province of Ontario. As a result, property taxation revenue received by the Board from the municipalities is recorded as part of Provincial Legislative Grants and not property taxation revenue.

2. ACCOUNTS RECEIVABLE – PROVINCE OF ONTARIO

The Province of Ontario replaced variable capital funding with a one-time debt support grant in 2009-10. Avon Maitland District School Board received a one-time grant that recognizes capital debt as of August 31, 2010 that is supported by the existing capital programs. The Board receives this grant in cash over the remaining term of the existing capital debt instruments. The Board may also receive yearly capital grants to support capital programs which would be reflected in this account receivable.

The Board has an account receivable from the Province of Ontario of \$51,380,417 (2015 - \$54,108,496) as at August 31, 2016 with respect to capital grants.

3. ASSETS HELD FOR SALE

As of August 31, 2016, assets held for sale consisted of \$407,755 (2015 – Nil) related to buildings, \$2,997 (2015 – Nil) related to land improvements and \$159,248 (2015 – Nil) related to land.

During the year, there were no school properties sold, and two properties were reclassified as assets held for sale.

(a) Retirement benefits

The Board provides retirement benefits to employees as follows:

(i) Ontario Teacher's Pension Plan

Qualified teachers are eligible to be members of Ontario Teacher's Pension Plan. Employer contributions for these employees are provided directly by the Province of Ontario. The pension costs and obligations related to this plan are a direct responsibility of the Province. Accordingly, no costs or liabilities related to this plan are included in the Board's consolidated financial statements.

7. RETIREMENT AND OTHER EMPLOYEE FUTURE BENEFITS LIABILITY (Cont'd)

(ii) Ontario Municipal Employees Retirement System

All non-teaching employees of the Board are eligible to be members of the Ontario Municipal Employees Retirement System ("OMERS"), a multi-employer pension plan. The plan provides defined pension benefits to employees based on their length of service and rates of pay. Employee contribution rates were up to 14.6% of earnings for the period. The Board contributions equal the employee contributions to the plan. During the year ended August 31, 2016, the Board contributed \$2,339,614 (2015 - \$2,261,066) to the plan. As this is a multi-employer pension plan, these contributions are the Board's pension benefit expenses. No pension liability for this type of plan is included in the Board's consolidated financial statements.

(iii) Retirement gratuities

The Board provides retirement gratuities to certain groups of employees hired prior to specified dates. The Board provides these benefits through an unfunded defined benefit plan. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. The amount of the gratuities payable to eligible employees at retirement is based on their salary, accumulated sick days, and years of service at August 31, 2012.

1. Voluntary retirement gratuity early payout provision

During 2015-16, ETFO and OSSTF ratified agreements at the local and central level, which included a voluntary retirement gratuity early payout provision. The provision provided ETFO and OSSTF members the option of receiving a discounted frozen retirement gratuity benefit payment by August 31, 2016.

This provision was also made available to all non-unionized school board employees, including principals and vice-principals. These payments were made by August 31, 2016.

Some employees took the early payouts, which were discounted from the current financial statement carrying values. As a result, the reduction in the liability for those members who took the voluntary retirement gratuity early payout option was accompanied by actuarial gains in the board's 2015-16 year financial statements. This resulted in the board's employee future benefit liability decreasing by \$1,454,953.

(iv) Post-retirement life insurance and health care benefits

The Board sponsors a separate plan for retirees to provide group health care and dental benefits. The premiums are based on the Board experience and retirees' premiums may be subsidized by the board. The benefit costs and liabilities related to the plan are included in the Board's consolidated financial statements. Effective September 1, 2013, employees retiring on or after this date do not qualify for Board subsidized premiums or contributions.

7. RETIREMENT AND OTHER EMPLOYEE FUTURE BENEFITS LIABILITY (Cont'd)

(b) Other employee future benefits

(i) Workplace Safety and Insurance Board obligations

The Board is a Schedule 2 employer under the Workplace Safety and Insurance Act (the "Act") and, as such, assumes responsibility for the payment of all claims to its injured workers under the Act. The Board does not fund these obligations in advance of payments made under the Act. The related benefit costs and liabilities are included in the Board's consolidated financial statements. School Boards are required to provide salary top-up to a maximum of 4 ½ years for employees receiving payments from the Workplace Safety and Insurance Board, where the collective agreement negotiated prior to 2012 included such a provision. The total amount of the unfunded liability as of August 31, 2016 is \$1,341,150 (2015 - \$862,176). This amount has been actuarially determined.

(ii) Sick leave top-up benefits

A maximum of 11 unused sick leave days from the current year may be carried forward into the following year only, to be used to top-up salary for illnesses paid through the short-term leave and disability plan in that year. The benefits cost expensed in the financial statements are \$134,459 (2015 - \$52,479). The total amount of the liability as of August 31, 2016 is \$94,317 (2015 - \$76,355).

For accounting purposes, the valuation of the accrued benefit obligation for the sick leave top-up is based on actuarial assumptions about future events determined as at August 31, 2016 and is based on the average daily salary and banked sick days of employees as at August 31, 2016.

(c) Valuation assumptions

The accrued benefit obligations for retirement benefits, post-retirement life insurance, health care benefits, Workplace Safety and Insurance Board and compensated absences obligations are based on actuarial valuations for accounting purposes as at August 31, 2016. These actuarial valuations were based on assumptions about future events. The economic assumptions, where applicable, used in these valuations are the Board's best estimates of expected rates of:

	2016 %	2015 %
Inflation	1.5	1.5
Wage and salary escalation, retirement gratuities and post-retirement benefits	Nil	Nil
Wage and salary escalation, other employee future benefits	2.00	2.00
Insurance and health care cost escalation, reduced by ¼ % per subsequent year until ultimate rate increase of 4%	8.00	8.25
Dental health care cost escalation, reduced by ¼ % per subsequent year until ultimate rate increase of 3%	4.00	4.25
Discount on accrued benefit obligations	2.05	2.45

8. BENEFIT PLAN FUTURE CHANGES

Currently, the Board provides health, dental and life insurance benefits for certain active and retired employees and has assumed liability for payment of benefits under these plans. As part of ratified labour collective agreements for unionized employees that bargain centrally and ratified central discussions with the principals and vice-principals associations, Employee Life and Health Trusts (ELHTs) will be established in 2016-17 for the following employee groups: ETFO, OSSTF, OSSTF-EW, and non-unionized employees including principals and vice-principals. The ELHTs will provide health, life and dental benefits to teachers (excluding daily occasional teachers), education workers (excluding casual and temporary staff), other school board staff and retired individuals up to the Board's participation date into the ELHT. These benefits will be provided through a joint governance structure between the bargaining/employee groups, school board trustees associations and the Government of Ontario. Starting February 1, 2017, the Board will no longer be responsible to provide benefits to the above mentioned groups. The Board will transfer to the ELHTs an amount per full-time equivalency based on the 2014-15 actual benefit costs plus 8.16% representing inflationary increases for 2015-16 and 2016-17. In addition, the Ministry of Education will provide an additional \$300 per full-time-equivalency for active employees to the Board. These amounts will then be transferred to the trust for the provision of employee and retiree benefits.

9. DEFERRED CAPITAL CONTRIBUTIONS

Deferred capital contributions include grants and contributions received that are used for the acquisition of tangible capital assets in accordance with regulation 395/11 that have been expended by year end. The contributions are amortized into revenue over the life of the asset acquired.

13. TRUST FUNDS

The General Student Awards Trust Fund represents accumulated donations received by the Board from individual, corporate and institutional sources. These funds are used to provide various scholarships, bursaries and awards to students in Avon Maitland area schools and to assist with other educational projects not funded by the Board. Activity of the General Student Awards Trust Fund is summarized in the following table:

General Student Awards Trust Fund	2016	2015

14. COMMITMENTS AND CONTINGENCIES

The Board is a member of the Ontario School Board Insurance Exchange ("OSBIE") for a period, which ends December 31, 2016. OSBIE is a reciprocal insurance company licensed under the Insurance Act. OSBIE insures general public liability, property damage and certain other risks. Members are assessed premiums on an annual basis and should premiums collected not be sufficient to cover actual losses incurred, an additional assessment may be levied. The occurrence of future losses and their impact on future premiums is not determinable.

The Board is involved from time to time in litigation, which arises in the normal course of business. In respect of any outstanding claims, the Board believes it has valid defenses. In Administration's judgment, no material exposure exists on the eventual settlement of such litigation, and accordingly, no provision has been made in the accompanying consolidated financial statements.

The Board has commitments with respect to operating leases for buildings, capital purchases and other amounts. The total is payable with respect to these commitments during the next three years as follows:

	Capital projects	Operating leases	Total \$
2017	994,905	218,466	1,213,371
2018	-	153,259	153,259
	994,905	371,725	1,366,630

15. TRANSPORTATION CONSORTIA

Transportation services for the Board are provided in partnership with the Huron-Perth Catholic District School, by the Consortia Huron Perth Student Transportation Services ("HPSTS"). Under the formal agreement, decisions related to the financial and operating activities of the Consortia are shared, with no partner exercising unilateral control. Direct costs incurred by the Board are paid directly while the shared costs for the administration of HPSTS are pro-rated based on student rider-ship as outlined in the agreement.

The Board's total transportation revenues for the period ending August 31, 2016 was \$11,488,441 (2015 - \$11,512,916), the Board's non-administration expenses totaled \$11,042,926 (2015 - \$11,159,094) and the Board's receivable at August 31, 2016 was \$131,622 (2015 - \$130,671).

16. REPAYMENT OF “55 SCHOOL BOARD TRUST” FUNDING

On June 1, 2003, the Board received \$2,908,000 from The 55 School Board Trust for its capital related debt eligible for provincial funding support pursuant to a 30-year agreement it entered into with the trust. The 55 School Board Trust was created to refinance the outstanding not permanently financed (NPF) debt of participating boards who are beneficiaries of the trust. Under the terms of the agreement, the 55 School Board Trust repaid the Board’s debt in consideration for the assignment by the Board to the trust of future provincial grants payable to the Board in respect of the NPF debt.

As a result of the above agreement, the liability in respect of the NPF debt is no longer reflected in the Board’s financial position.
