Dear Mr. Cox:

**Re: Recommendation Letter of Award**  
**Shakespeare Public School Yard Improvements / Avon Public School Walkway**  
**Tender No. MTE-T-19-37**

On Monday June 17, 2019, one (1) tender for the above noted project was received at the MTE Consultants Inc. office at 365 Home Street in Stratford. It was reviewed and is summarized as follows:

<b>Tenderer</b>	<b>Location</b>	<b>Total Tender Price (incl. HST)</b>
GW-EX Inc.	Mount Brydges, ON	\$281,708.06

The tender was reviewed in detail for conformance with the requirements stipulated in the Contract Documents, as well as for mathematical errors. The price received was also comparable with the MTE's Engineers Estimate which was valued at \$288,974.90 including HST. Generally no large imbalances were found between the individual tender item prices.

The tenderer, GW-EX Inc. of Mount Brydges, Ontario, has completed several underground services and roadwork contracts throughout southern Ontario, and are qualified to complete this project.

Therefore, it is our recommendation that GW-EX Inc. be awarded the contract for the above noted project based on the total tendered price of \$281,708.06 (including HST), with actual payments made for work done under the contract unit price.

We trust the above is in order. However, should you require any additional information, please contact us.

Yours truly,

**MTE CONSULTANTS INC.**
