The director of education holds the principal accountable for the organization of the plan for instruction in the school.

#### **1. Organization for Instruction**

The principal, in consultation with the staff, shall develop a school plan that shall clearly outline the following:

- a) Organization of classes
- b) Organization of teacher assignments
- c) Course offerings of the school
- d) Co-curricular activities

#### **2. Classes and Teaching Assignments**

2.1 The function of assigning students to classes shall be the responsibility of the principal in consultation with all staff members affected at that instructional level.

2.2 Classes shall be organized according to provincial legislation related to class size and teaching assignments and collective agreements. [See references above]

2.3 The principal, in consultation with the staff, will consider the most effective groupings of students for instruction for all students. Principals and staff will consider a range of factors, including, but not limited to, academic, emotional and potential social benefits or concerns when placing a child in a given class. The following documents are available to assist the principal and school staff when placing children in combined grade classrooms:

- a) *Combined Grades: Strategies to Reach a Range of Learners in Kindergarten to Grade 6, Ministry of Education, 2007*
